

ISC Engineering, LLC.

Supplier Certificate of Compliance

Date: May 1, 2006

**Product: ISC Engineering Strain Relief products
146XXXX series strain relief's with M1472 PVC compound**

This document hereby certifies the materials supplied by ISC Engineering for the above listed products, parts, materials and packaging manufactured on or after May 1, 2006 are in compliance with the European Economic Union (EEU) "Restriction of Hazardous Substances" (RoHS) Directive 2002/95/EC. Materials used for overmolding and supplied by ISC Engineering are ROHS compliant. ISC Engineering does not provide testing or verification of component or raw materials, but can provide manufacturers certifications as requested. None of the following ingredients are intentionally included in the materials used in producing finished products. Certificate of ROHS compliance is on file from ISC compound vendors.

Pertaining to the design/manufacture of the above product(s), the following substances are not added or used:

1. Polybrominated Diphenyl Ethers (PBDE)
2. Polybrominated Biphenyls (PBB)
3. Lead
4. Mercury
5. Cadmium
6. Hexavalent Chromium

I certify that I am authorized to declare that the statements made within this Certificate of Compliance are true and accurate.
